

- 01** We provide guest education on how to ski and snowboard responsibly.
- 02** We offer ski and snowboard lessons from qualified instructors.
- 03** We staff a trained ski patrol to provide first aid, assess mountain safety, post warnings, close trails, and conduct avalanche mitigation (when necessary).
- 04** We conduct ongoing lift inspections and maintenance, work with regulatory agencies, and staff trained lift operations personnel to operate lifts.
- 05** We monitor weather and mountain conditions and modify operations when appropriate.
- 06** We provide trail difficulty rating symbols relative to a resort's specific terrain.
- 07** We use required and industry approved signage to help direct and educate guests.
